

CHILD PLACING REGULATIONS

REGULATIONS FOR CHILD PLACING AGENCIES

**STATE OF RHODE ISLAND
DEPARTMENT OF CHILDREN, YOUTH AND
FAMILIES**

1987

STATE OF RHODE ISLAND
REGULATIONS FOR CHILD PLACING AGENCIES

I. GENERAL PROVISIONS

A. Legal Basis

These regulations for the licensing of child placing agencies are promulgated pursuant to the Licensing Act for the Placement and Care of Children.

As defined in the Act, a "child placing agency" shall mean "any private or public agency which receives children for placement into independent living arrangements, supervised apartment living, residential group care facilities, family foster homes or adoptive homes."

B. Philosophy

By its enabling legislation, the Rhode Island Department of Children, Youth and Families is "designated as the single authority to establish and provide a diversified and comprehensive program of services for the social well-being and development of children and their families."

Further, the Department is required to set standards for social services and facilities for children, and by statute to establish regulations for the licensing of child placing agencies.

Child placing agencies assist the Department in the implementation of its child care responsibilities. They thereby share in the duty to protect and safeguard the well-being and development of the children in their care, and, through a variety of placement options offering diversified care and treatment programs, to assist the child in finding a permanent, loving home. The primary goal of a child placing agency shall be to maintain and strengthen family integrity. Every effort shall be made to prevent the removal of a child from his/her own home.

These regulations are written to assist the child placing agency in carrying out these responsibilities to the benefit of the children and families they serve. The regulations are to be interpreted in the best interest of the child.

C. Definitions

For purposes of these regulations, the following terms are defined:

ACT shall mean the Licensing Act for the Placement and Care of Children.

ADMINISTRATOR shall mean the director of the licensing unit, or his/her designee.

II. THE LICENSING PROCESS

A. Licensing Process

1. The Administrator of Licensing may allow a variance to a rule upon the submission of written request and documentation, providing that the variance in no way jeopardizes the health, safety and well being of the child(ren) in care.
2. An agency shall not operate unless it is licensed by the Department.
3. An applicant for a license shall be an individual or a corporation.
4. An applicant for a license shall:
 - (a) maintain an office and operational program within the state;
 - (b) submit a completed application form to the Department;
 - (c) submit a description of the geographical area to be served by the agency, and an explanation of the specific services it provides or proposes to provide;

- (d) submit to and assist in completing an inspection of all aspects of the agency and its programs by the Department; and
- (e) provide evidence of substantial compliance with the regulations contained herein throughout the term of the license, as determined by the Department; OR
 - (1) submit satisfactory evidence that it meets the current standards of a national accrediting organization approved by the Department; and
 - (2) at the Administrator's request, provide the following additional written documentation, including, but not limited to:
 - (a) the philosophy of the agency
 - (b) clientele to be served
 - (c) services offered
 - (d) programmatic descriptions
 - (e) a listing of personnel and job duties

B. Licensing Limitations

1. An agency license permits the agency to receive children for care, to assess the social needs of children and their families to determine the appropriate treatment and placement of children, and to supervise out-of-home placements for children.
2. A license is valid from the date of issue and expires one (1) year from the date of issuance, unless otherwise specified; or unless revoked or otherwise invalidated by the Department; or voluntarily surrendered by the agency. A grace period can extend the term of a license by ninety (90) days pending reevaluation.
3. An agency may be issued a provisional license for a period not to exceed six (6) months for a program, not previously licensed.
4. An agency may be issued a **conditional** license which places specific restrictions on the license.
5. An agency may be issued a **probationary** license which sets forth the terms of remediation and which shall not exceed a period of twelve (12) months.
6. The license may include a provision to certify foster homes.
7. The license may include a provision to place children in approved adoptive homes.
8. An agency shall not operate a child care program without obtaining an appropriate child care license.

C. Evidence of Ability to Comply with these Regulations

An agency, as an applicant or as a licensee, its corporation board members, its officers, agents and employees shall demonstrate an ability to offer placement or adoption services in substantial compliance with these regulations. Ascertainment of substantial compliance with these regulations shall include but is not limited to the following:

1. the status of any out-of-state child caring or placing licenses held by the agency;
2. the status of any other application by the agency for child placing licenses;
3. the status and nature of any administrative, civil or criminal action ever brought with respect to the provisions of child placing services by the agency, its officers, agents or employees;
4. the status and nature of any state or federal agency's investigation of the agency, its officers, agents, or employees with respect to the provision of child placing services;
5. the status and nature of any written communications expressing satisfaction or dissatisfaction with the agency as an applicant or as a licensee in its provision of child placing services;
6. whether an agency, its officers, agents or employees:
 - (a) are under indictment or have been convicted of any offense listed in Appendix 1; or
 - (b) have been fined or are subject to any agreement resulting from any administrative or civil action pertaining to their professional care of children; or
 - (c) have been denied or have had a license revoked pertaining to the professional care of children.

III. ADMINISTRATION AND ORGANIZATION

A. Governing Body

1. An agency shall be operated by an individual or a corporation.
2. An agency shall have a governing body which is responsible for its continual compliance with licensing requirements and conformity with the provisions of its charter.
3. The names of any and all members of the governing body shall be supplied to the licensing agency.
4. An agency shall apply for and maintain licenses for any child care program it operates.

B. Statement of Purpose

The agency shall have and conform to a written statement of its child placing philosophy, purpose and program.

1. The statement shall contain:
 - (a) types of children to be placed, and eligibility requirements for placement;
 - (b) description of all services the agency provides to the child and family before, during and after placement; and
 - (c) the methods of service delivery.
2. This statement shall be made available upon request.

C. Organizational Table

The agency shall maintain a current organizational table which accurately reflects the structure of authority, responsibility and accountability within the program.

D. Operations

1. The licensee shall
 - (a) meet with the licensing authority upon request;
 - (b) contact the Department prior to the establishment of a new agency or the changing of a licensed program;
 - (c) make such reports to the Department as may be required to demonstrate that the requirements for licensure are met;
 - (d) provide written notification within thirty (30) days to the Department of changes in administrative and professional personnel, program direction, and admissions criteria; and
 - (e) notify the licensing authority and the child's parent(s) or guardian(s) immediately in the event of the death of a child in its care.
2. The licensee shall provide a safe and suitable office facility, including space for privacy and a reasonable degree of comfort for the convenience of clients.
3. The agency shall make available to all employees a written code of ethics that prohibits employees from using their official position to secure privileges for themselves or others and from engaging in activities that constitute a conflict of interest.

E. Protection of Privacy

1. The privacy of the child and his/her family shall be protected.
2. The identity of a child used in any form of publicity shall be given only if a positive value accrues to the child.
3. The written consent of a parent or guardian, and the child, where applicable, shall be obtained prior to using a child or picture of a child in any form of publicity.

F. Research

1. An agency shall not use any child in any research without submitting a description of the proposed research and its purpose to the Department, and receiving the approval of the Department for such research.
2. Statistical research is permitted, provided that a child's identity is masked through all phases of research.
3. An agency shall establish a human rights committee to monitor and approve any research, if required by the Department.

G. Fundraising

Children shall not participate in fundraising activities without the express written prior permission of the Department.

H. Finances

1. Fees
 - (a) The agency, if it charges fees, shall have a written policy on fees and a rate chart explaining fees.
 - (b) The policy shall describe the relationship between fees and costs of services provided and the conditions under which fees are charged or waived.
2. Accountability
 - (a) The licensee shall develop and implement a plan of financing necessary for the operation of the agency in carrying out its programs, assuring proper care for children; and
 - (b) The licensee shall obtain an independent audit of all its financial accounts. Non-governmental agency audits shall be conducted annually by an independent certified public accountant who is not administratively related to the agency. Agencies operated by governmental units shall have audits conducted as required by statute.

I. Children's Records

1. A confidential record shall be maintained for each individual child placed or served by the agency.
2. A child's records shall be secure against loss, tampering and unauthorized use.
3. An agency shall ensure that its staff is aware of the need for protection of confidential information, whether written or oral.
4. An agency shall have a written policy regarding the release of information from the case record to the child, parent, guardian and their respective legal counsels.
5. An agency shall maintain a written record for each child, with uniform content and format and including but not limited to the following:
 - (a) the name, sex, birth date and birthplace of the child;
 - (b) the name, address, telephone number and marital status of the child's parent or guardian;
 - (c) the name, address, telephone number, and relationship to the child of the person with whom the child was living prior to admission, when the child was not living with his/her parent;
 - (d) source of referral, referral documents, and placement date, as appropriate;
 - (e) current custody and legal guardianship status;

 - (c) a bachelor's degree in sociology, psychology, social work, or guidance and counseling and four (4) years of experience as a social service worker in a child care organization. Two (2) of the four (4) years of experience shall be in a child placing agency which provides in-service training.
3. Social Service Worker - A social service worker, at the time of appointment to the position shall possess at least a bachelor's degree with a major in sociology, psychology, social work, or guidance.
4. General qualifications

- (a) An agency shall have employment practices which attempt to ensure that employees and volunteers are of good moral character and emotional stability and of sufficient good health, ability, experience and education to perform the tasks assigned.
 - (b) All staff shall be properly certified or licensed as required, and cleared for employment history and criminal record checks.
5. Employee qualifications as herein stipulated shall not be required of persons employed in these positions prior to the date these regulations become effective.

B. Staffing Ratio

1. The agency shall develop a staffing ratio based on a written workload formula to determine the number of administrative, supervisory, social service workers and other staff necessary to provide services in accordance with the agency's program statements for those areas of service in which the agency is licensed.
2. The formula shall include, at a minimum, all of the following:
 - (a) type of children served, and their special needs;
 - (b) types of services to be provided;
 - (c) distances involved in provision of service; and
 - (d) other functions or responsibilities of the social service workers.

C. Job Descriptions

1. The agency shall have a job description for each position identifying duties, qualifications, education, training requirements, and lines of authority.
2. A copy of the job description shall be made available to the employee.
3. Practice shall conform to the job description.

D. Staff Training

1. An agency shall provide or make available orientation and in-service training programs for all professional staff on a regular basis.
2. An agency shall ensure that all professional staff participate in a minimum of eight (8) hours of staff training annually.
3. Training shall include but need not be limited to information regarding current child placing practices and the laws and regulations related to child placing in Rhode Island.
4. The agency shall keep a record of each staff member's participation in in-service training.

E. Personnel Policies

1. Personnel policies shall be in writing, and shall identify the rights and responsibilities of the organization and staff.
2. The policies shall specify hours of work, grievance procedures, sick leave, vacation, and all other fringe benefits.
3. Personnel policy shall include the prohibition of an employee or volunteer from performing duties if their ability is impaired by drugs or alcohol or both.

F. Employee Performance Evaluations

There shall be a written evaluation of the employee's performance within six (6) months after an employee's appointment, and annually thereafter.

G. Personnel Records

1. A confidential personnel record shall be maintained for each employee and volunteer.
2. The record shall contain all of the following:
 - (a) the employee's name;

- (b) verification of the employee's education, where specified by rule;
 - (c) the employee's work history;
 - (d) record of any convictions, other than minor traffic violations; and
 - (e) performance evaluations as required.
3. Personnel records shall be secured against loss, destruction, or unauthorized access.

V. SOCIAL SERVICES RELATED TO CHILD PLACING

A. Intake Procedures and Practices

1. At the time of referral or application for service, the agency shall assess the needs and strengths of the child's family.
2. Prior to accepting a child into its program, the agency shall document that alternatives to placement have been explored or used with the family.
3. Where social services have been provided to the child and his/her family, a description of their nature, scope, frequency, time frame and recommendations shall be indicated.
4. The agency shall make every effort to prevent the removal of the child from the home and to maintain the integrity of the family through the provision of counseling and education when the emotional, physical or psychological health of the child is not at risk.
5. When the need for placement is clearly documented and other alternatives have been utilized by the family or are counter indicated, the agency shall select the least restrictive setting for the child, commensurate with his/her needs, and also situated proximate to the child's home.
6. A written intake study shall be conducted by the agency at the time of referral or application, and completed within forty-five (45) days.
7. The intake study shall include:
 - (a) the identification of the specific needs of the child and family which warrant consideration of removal and placement of the child;
 - (b) the family's strengths;
 - (c) the involvement of the child's parent(s) in his/her care;
 - (d) the available resources;
 - (e) the stated goals of the family;
 - (f) available social and medical history of the child and all family members; and
 - (g) the child's legal status.
8. The agency shall keep a record of all requests for services, placements, and the reasons for acceptance and denial of services.
9. The agency shall provide referral assistance to persons requesting services not provided by the agency.

B. Interstate Placements

1. The agency shall send written notice to the Administrator of the Interstate Compact on Placement of Children whenever an agency plans to place a child in another state or receives for placement a child from another state.
2. The agency shall provide documentation of compliance with the Interstate Compact on Placement of Children, with, at minimum, the signed approval of this state's Interstate Compact Officer.

C. Case Plan

1. The agency shall develop a written case plan upon completion of the intake study and prior to placement. In cases of emergency placements, the assessment and case plan shall be initiated within five (5) working days and completed within thirty (30) working days of placement. The plan shall include, but not be limited to, the following:
 - (a) documentation of counseling services provided to the family and child;
 - (b) the reasons for the selection of the type of care and how it meets the child's and family's needs;

- (c) projected duration of care;
 - (d) pre-placement activities with child and family;
 - (e) initial case goals for the child and family;
 - (f) specific steps to accomplish goals;
 - (g) specific time schedule for goals;
 - (h) expected outcomes of goals;
 - (i) designation of responsibility for carrying out steps with the child, parent(s), foster parent(s), adoptive parent(s), and the court (when involved), including frequency of contacts;
 - (j) visiting plans between the child, parent(s), and siblings, if appropriate;
 - (k) date of first review of progress on steps and goals; and
 - (l) description of the conditions under which the child shall be returned home or when termination of parental rights should be initiated.
2. The agency shall include the parent(s) and the child (when appropriate to age and understanding) in the development of placement and case plans.
 3. The agency, prior to accepting a child for placement, shall secure from the parent(s), guardian(s), or court, written authority to place the child.
 4. The agency, prior to accepting a child for placement, shall secure from the parent(s), guardian(s), or court, written authority to provide medical care.
 5. The agency shall help the parent(s) understand the legal rights and obligations that they retain and those delegated to the agency by the court. This information must be provided to the parent(s) in their own language if English is not readily understood.

D. Supervision and Review of the Case Plan

1. The agency shall complete a review of the case plan at least every six (6) months indicating progress toward goal achievement and changes made in the service plan.
2. The agency shall include in the review an assessment of the child in care, the progress of the growth and development of the child, the relationships between the child and caregivers, and the problems which may have occurred.

E. Selection of Placement

1. The agency shall select the most appropriate form of care for the child consistent with the child's and family's needs for in-home care, supervised apartment living, independent living arrangements, family foster care or adoption. In choosing the type of care, the agency shall provide for any specialized services the child may need.
2. The agency, when selecting care, shall take into consideration a child's racial, cultural, ethnic, and religious heritage and preserve them to the extent possible without jeopardizing the child's care.
3. The agency shall select care that has the capacity to assist in the achievement of the steps and goals of the child's case plan and shall involve the parent(s) to the maximum extent possible.
4. The agency shall refer and place children only in licensed child care programs, licensed foster homes, or approved adoptive homes.

F. Placement Services

1. Relationships with Child Care Programs
 - (a) The agency shall have written policies and procedures specifying the manner of information exchange and coordination of services with any child care program into which it places children.
 - (b) At a minimum, these policies and procedures shall include the orderly and regular transfer of information regarding the child and family, including the social history, reason for placement, anticipated length of placement, educational, medical and clinical reports, as well as service plans, updated service plans and discharge summaries with aftercare plans.
2. Relationships with Families and Children
 - (a) The agency shall make its services accessible and available to parent(s).

- (b) The agency shall make every reasonable effort to help the parent(s) assume or prepare them to resume their parental roles and responsibilities.
 - (c) The agency shall provide the family with or arrange for counseling services necessary to preserve and strengthen the family and to accomplish the case plan goals. While the child is in care, the agency shall assist parent(s) with the problems and needs that brought about the need for placement.
 - (d) The agency shall make counseling available to expectant parent(s) considering placement before the child is born and immediately thereafter.
 - (e) The agency shall encourage contacts between parent(s) and children after placement, in accordance with the case plan.
 - (f) The agency shall have a signed agreement with the parent(s) of the child in care which includes, but is not limited to, the expectations and responsibilities of the agency and the parent(s) for carrying out the steps to meet the case plan goals, the financial arrangements for the child in care, and visiting plans.
3. Pre-placement Preparation
- (a) The agency shall formulate written policies and procedures regarding the nature and frequency of social services provided to a child awaiting placement and at the time of placement for an adoptive child, a foster child, or a child awaiting placement in other child care programs. These policies shall address the following:
 - (1) The social service worker for the child shall become acquainted with the child and family prior to placement, except when a child is placed on an emergency basis.
 - (2) The social service worker shall help the child understand the reasons for placement and prepare him/her for the new environment.
 - (3) The social service worker shall help the newly placed child with his/her feelings and reactions to the placement in order to assist his/her adjustment.
 - (b) The agency shall arrange a general medical examination by a licensed medical practitioner for each child within fifteen (15) days of admission, unless the child has been examined within twelve (12) months before admission and the agency has the results of that examination.
 - (c) The agency shall obtain and record a developmental history for each child.
 - (d) The agency shall arrange for a child over the age of four (4) years to receive a dental examination by a dentist within sixty (60) days of admission, unless the child has been examined within twelve (12) months prior to admission and the agency has the results of that examination.
 - (e) The agency shall obtain a written copy of each child's immunizations within thirty (30) days of admission to placement. If this is not available, the agency shall document any immunizations and record the process to be used to obtain the information.
4. Services During Care
- (a) The agency shall supervise care of the child and shall coordinate the planning and services for the child and family as stated in the case plan.
 - (b) The social service worker shall see a child as often as necessary to carry out the case plan, but at least once per month during the term of care.
 - (c) The social service worker shall meet with the parent(s) and children together on a regular basis to assess and work on the following:
 - (1) Progress in resolving problems which precipitated placement;
 - (2) Parent and child relationship difficulties;
 - (3) Adjustment to separation; and
 - (4) Achievement of case plan goals.
 - (d) The agency shall refer the parent(s) to other agencies in the community providing appropriate services when they require services which the agency does not offer. The agency shall maintain communication with the agency providing service when cooperative effort has been arranged.
