

Join us for a Virtual Information Session on

RHODE ISLAND'S CHILDREN'S BEHAVIORAL HEALTH CONSENT DECREE

Wednesday, March 12 | 1:00-2:30pm

Wednesday, March 26 | 5:00-6:30pm

In this session, you can expect to learn about:

- The requirements of the Consent Decree
- How Rhode Island is approaching system improvement
- Opportunities for collaboration to improve the experiences of children and their families

Register Here!

All are invited to attend to gain insight into the Consent Decree, the State's approach to compliance, and the key requirements for its implementation.

This session will provide an opportunity to learn, ask questions, and understand how this effort will shape our work moving forward.

The same information will be presented at both sessions.

If you have any questions or have trouble registering, please email DCYF.ConsentDecree@dcyf.ri.gov.
